Dear Parents/Carers,

Due to the recent announcement that all UK schools must close due to the spread of Coronavirus, all Nursery and Reception children will receive play-led learning ideas from their class teachers via Tapestry. We have also put together a list of learning resources which your child/children can access from home on a laptop or tablet device. This will enable them to carry on their learning outside of the classroom environment.

MiniMash- for a wide range of activities

Your child's login details are located inside their reading records or packs. Teachers will set weekly tasks via this platform for children to complete.
