- > Wednesday: Rugby
- > Thursday: Rounders

Spring has been an extremely busy term for sport at Bridgewater. Our main competition this term was the lacrosse.

Through training intensely with the England Lacrosse coaches and players we entered a competition at Monton Cricket and Lacrosse club.

Our team showed dedication and sheer determination at the competition and came through the worthy winners of the group which then led on to the County finals later in the Spring term.

We played a range of schools across Salford and only lost one match against Irlam Primary School 2, 0.

The team did the school proud with their positive attitude and behavior all afternoon.

Lacrosse Finals

Cricket

To allow more children to take part in sport and competitions, a group of children were entered in to a year 4 cricket competition where they played to a very high standard and competed successfully.

Overall, the children played six matches. 3 wins and 3 losses. The competition was a fantastic standard and all the children in the team showed great sportsmanship and determination throughout the day at the Soccer Dome.

Sports Relief Charity Match

On the last Friday before the holidays, to raise money for Sports Relief the football team boys and girls played a football match against their parents.

The match was a huge success and the parents loved playing against their children.

The match was highly anticipated and did not disappoint with amazing passes, dribbles and

skills from both children and adults.

The match ended at full time three all, therefore a penalty shoot out was played. The parents dominated in this with their tactical goals.

Overall throughout the day, the charity match and fitness workshops raised over £245.

Mr Hargreaves would like to say

a massive thank you for all of your kind donations and allowing your children to take part in the sporting activities
