The Funny Tummy Song

Actions to accompany the chorus. Actions are based on British Sign Language (BSL).

Hands move in a circular motion around the stomach

If it makes you feel funny in your tummy

Hands move in a circular motion around the head

Worried

Clawed hand taps the chin

scared

Hand moves from the front of the face downwards to chest height

or sad

Hand moves straight across body

Then you must*

Hand moves outwards away from the face

tell

Hand moves up above the head

a grown up

Right hand moves down onto left palm

you trust

Fingers move from the head outwards

Like a teacher

3 fingers move up to and touch the forehead

or a mum

2 fingers cross over 2 fingers on the other hand

or dad

*please note that this is BSL for the word 'should'.
The actions can be made using either the left or right hand.

The Funny Tummy Song

Jessie and Friends Episode 2

It's fun to share a picture
With friends and family
If someone else is in it, check they're happy for others to see
If somebody shares something
That makes you go 'Uh-oh'
You're not alone
Put down the phone
Here's what you need to know...

If it makes you feel funny
In your tummy
Worried, scared or sad
Then you must
Tell a grown up you trust
Like a teacher or a mum or dad

If it makes you feel funny
In your tummy
That something's no OK
It's not your fault
Just tell an adult
They'll help to make it go away,
they'll help to make it go away
