

BRIDGEWATER NEWS

Welcome Back

Summer Term 2 2019

A warm welcome back to you all! Enclosed is some important information and details about projects and exciting events planned for this half term.

We also regularly update the school website www.bridgewaterprimaryschool.co.uk and our twitter page @BridgewaterPS with information and news.

Summer Fair

We are hoping to repeat the success of last year's Summer Fair. On the afternoon of Wednesday 17th July the children will be leading their own enterprising stalls and there will also be the usual Summer Fair fun – bouncy castles, tombolas, raffles and beat the goalie! If you have any time and are willing to help/lead a stall please do let Mrs McWalters or Mrs Morris know.

Children's University

This half-term, children who have collected 30+ hours for attending after-school activities and continuing their outside learning, will be attending Salford University for their Children's University graduation - this will be on Monday 8th July. We are so excited to attend our fourth graduation and celebrate the achievements of the children; invitations to the event will be arriving home to the children who have collected sufficient hours. Children who have not collected 30 hours should not be disappointed as hours are carried onto the following year.

Sports Day

This year's sports day (weather permitting) will be held on Tuesday 18th and Wednesday 19th June. The children will take part in good old-fashioned events, such as the egg and spoon race and obstacle race, but will also try the sports of javelin, long jump and sprinting.

Transition week

To help the children make a smooth transition to their new class we will host a day where the children get the opportunity to meet their new teacher and discuss class rules and routines ready for September. We hope this helps to alleviate any anxiety children may feel over the summer about starting a new class. We will let you and the children know who will be teaching each year group later in the term.

Sun cream, water bottles and hats

As the sun continues to shine (hopefully) we ask that children are provided with sun hats, sun cream and water bottles to help them stay safe and refreshed in the sun. Please ensure that children's names are on all their belongings.

Optional Parents' Evening

End of year reports go out later this term to give you a full update on your child's attainment and progress for the year. You will have the opportunity to attend a further parents' evening to discuss the report if you so wish. More details to follow.

Lledr Hall

Today, our Year 6 children are off to Snowdonia to take part in a week of adventurous outdoor pursuits. We hope they all have a memorable time. Look out for some of their photos on our website and twitter page.

Should there be any other information that you feel you would like us to share with the school or if you have any questions please do not hesitate to make an appointment to see me via the school office.

Mrs E Henderson
Headteacher
