

Bridgewater Primary School Sports Premium Impact 2021-2022

Sport Premium Grant Background

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this. Accountability Schools will be held to account for how they spend the sport funding.

At Bridgewater Primary School we have been allocated £19540 for the financial year 2021-2022. As a school we intend on using the money to develop children's and teacher's skills within the P.E curriculum.

Money will be spent on:	Amount: (£)	Impact:
To encourage all children to enjoy and take part in more P.E and sports by providing specialist P.E coaches deliver after school sports provision such as hockey and handball. Enable children to have specialist clubs such as, Salford Reds Rugby and Monton Lacrosse to teach new skills within a range of sports. To teach children all the essential skills they need to be able to take part in competitive sports and games	Salford Reds: £4000.00 (All year) Lacrosse: £972 (Summer term) Kickstarterz £1080.00 (Summer Reception) Sports Coach (Jancy): £7410 (All year with Year 3) Total: £13,462	All children from Year 5 and Year 4 received 1 hour of high quality P.E by Salford Community Leisure. Year 6 received 1 hour of high quality P.E from Salford Reds. Reception 1 and 2 received high quality P.E from

<p>in each area of the P.E Curriculum. Run a wide range of sporting after school and lunchtime clubs. This year we will have various sporting clubs such as: hockey, dance, football, netball, dance, multi-skills and rugby. Sports development 3 clubs a week. Salford reds 1 club a week. Football club.</p>		<p>Kickstarterz during the summer term.</p> <p>Year 1 and 2 received high quality P.E from Jancy and Jasmine weekly.</p> <p>Year 5 and 6 received high quality lacrosse sessions during the summer term.</p>
<p>Transport to weekly catch up swimming lessons</p>	<p>£2860.00</p>	<p>Swimming lessons ran throughout the year. Extra swimming lessons were provided for the children in Year 5 that missed their swimming lessons due to COVID last year.</p> <p>KS2 Pass rate: 55/60= 97% Children can swim competently, confidently and proficiently over a distance of at least 25 metres. Use a range of strokes effectively and perform safe self-rescue in different water based situation. Perform safe self-rescue in different water-based situations.</p> <p>Year 4KS and Y4OD had their lessons on a Monday morning so</p>

		the Friday session could be more focused for the children that did not pass last year.
Run internal and external sports competitions; compete in the Schools Mark award.	£900.00	Many competitions were entered such as: football, tennis, tri-golf, girls football. These competitions were for all year groups in KS2.
To replenish and purchase new equipment whenever needed.	£1468	New sports' day equipment was purchased to replace ripped sacks, lost batons etc. Replenished tennis equipment, sports day equipment and athletics equipment. These were used in the weekly P.E lessons
Enhance staff knowledge of using sport equipment through staff meetings and P.E resources from P.E planning.com	£350	Very detailed lessons plans from P.E planning.com provided all teachers with planning and resources they needed to teach high quality P.E lessons.
To provide children with appropriate sports kits that will be worn during competitions including a new swimming kit for the local gala.	£500	New kits provided children with the confidence of feeling like they are part of a team.

Total Spend for academic year 2021-2022: £19,540

How as a school will make these improvement sustainable

Throughout the up and coming year, we will use the money to enable further development of the children and focus on providing provision for more children to achieve working at a greater depth standard.

The DfE has made the following statement:

“The DfE understands that schools are keen to know how much funding they will receive so that they can plan for the next academic year, and are seeking to communicate high level principles in preparation for the new academic year. These will be announced in due course, however, we can confirm that all schools will see an increase in their premium allocation.”

“The Government is committed to ensuring that all schools are fairly funded and that money is invested in the most effective way. After careful consideration, we have therefore decided not to proceed with the proposed healthy pupils capital programme, in order to provide more money to schools through their core funding instead. Schools can, of course, choose to invest their core funding in PE and Sport.”

We will ensure that these improvements are sustainable, by teacher and staff CPD regularly, including questionnaires, and mentoring during P.E lessons. We will also provide parents and children with questionnaires to further the development of the school through accessing their opinions. Furthermore, to sustain the standard and development now, we will allow parents to become more involved in P.E, such as supporting the children in competitions, house and competitions at different venues.
