

Year 2 Spring 2026 Newsletter

HELLO
SPRING

Mr Gandy, Miss Tattersall, Miss Morris & Miss O'Brien.

January 2026

Happy New Year! We hope you had a lovely break and are excited to begin your new learning in 2026!

This half term we are looking forward to learning about our local area in our Geography lessons and exploring different living things in our science lessons. On Wednesdays, we are continuing with our Music lessons with Mr Charles. This half term, our P.E lesson will now be on a **Monday**. PE kit should now be sent into school in a bag to be kept in school for the half term. Children are to come to school in their uniform and will be getting changed into their P.E kits at the start of their P.E lesson. A P.E kit must include: a white polo shirt, black shorts/jogging bottoms, navy blue or black jacket and black pumps/trainers. In Computing, we will be learning all about the purpose of the Internet and how to use the internet safely. In Year 2, your child will need to bring the following into school: **their reading book and signed reading record every day, a water bottle and a healthy snack, if required.**

Please do not hesitate to speak to Mr Gandy or Miss Tattersall with any questions regarding your child's learning or well-being.

The week in Year 2 :

Monday - PE

Wednesday - Homework is due in

Friday - Spelling test

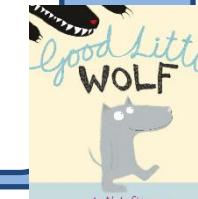

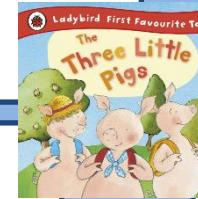

Friday - Homework goes home

English:

Our English will be based on The Three Little Pigs, Wolves and The Good Little Wolf by Nadia Shireen. Here are some links to the stories.

<https://youtu.be/Mkr0sap5sX0>

Science:

In Science we will learn about different animals and the different habitats they live in.

<https://www.bbc.co.uk/bitesize/topics/zx882hv>

Maths:

In Maths, we will be working towards our targets on number, shape, money, multiplication and division, length and height. We will also continue to practice our 2, 5 and 10 times tables.

Geography

This term our Geography question is **Where would you rather live, Salford or Kenya?** In our Geography work, we will be finding out about our local area and how this has changed over time. After half term we will begin to learn about Kenya and geographically compare it to Salford. We will look at climate, animals, people and school.

Spelling Shed and Times Tables Rock Stars:

Remember to keep practising your spellings on Spell shed- these are set each week to reflect the spellings the children are tested on in class. TT Rockstars is a fun way to learn your times tables, again these are set to the tables we are learning in Y2. All login details can be found in your child's reading record book.
