Dear Parents and Carers,

Citywide have informed us today that they must close the school kitchen due to a member of their staff testing positive for COVID-19. As such, they are unable to offer hot meals at Bridgewater until further notice.

Any lunch options that have been pre ordered on the Evolve system for the remainder of this week have been cancelled. If you require school to provide your child with a sandwich lunch, please order this on the Evolve system as usual. All children in receipt of Universal Infant Free School Meals (Rec – Year 2) or benefit related Free School Meals will receive the sandwich lunch option and won't be charged. You may send your child into school with a packed lunch from home if you prefer to do so.

Although this is not ideal, I feel that this is the safest option for our children presently. Can I reassure you, that having spoken to all Bridgewater staff, social distancing protocols have been adhered to. The kitchen and hall will undergo a through clean BEFORE being used again.

I will, as always keep you updated with all decisions made in school. Senior Leaders will be available in the playground tomorrow morning should you need to speak to us.

Kind regards

Mrs Henderson
Headteacher
