5th January 2021

Dear Parents and Carers

We were fully prepared to open school to all pupils tomorrow. However, following the Prime Minister's announcement declaring a National Lockdown at 8pm last night, we must close school once again to ensure the safety of our staff and pupils. We appreciate that the timing of this announcement will be extremely inconvenient for many families and we share your frustration that our children will again not be in school.

School will be closed to all children except the children of critical workers and vulnerable children. I will be sending an online survey later today for parents to complete should they identify as a critical worker. Vulnerable children (children with a social worker or Education Health Care Plan) will also be able to attend.

A letter regarding remote learning will also follow later today.

We are currently working on our plans for moving forward. At this time we will not be responding to individual messages.

Thank you for your support and understanding.

Mrs Henderson
