

## Bridgewater Primary School Sports Premium Impact and Spend 2020-2021

### Sport Premium Grant Background

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this. Accountability Schools will be held to account for how they spend the sport funding.

At Bridgewater Primary School we have been allocated £11,387 with £7,996 carried on from previous year due to COVID 19, for the financial year 2020-2021. As a school we intend on using the money to develop children's and teacher's skills within the P.E curriculum.

Money will be spent on:	Amount: (£)	Impact
To encourage all children to enjoy and take part in more P.E and sports by providing specialist P.E coaches deliver after school sports provision such as hockey and handball. Enable children to have specialist clubs such as Lancashire Cricket club, Salford Reds Rugby, Monton Lacrosse and Strikerz to teach new skills within a range of sports.	Salford Reds: £3850.50 (All year) Lacrosse: £748.00 (Autumn and Spring) Manchester United (Strikerz): £800 (Summer) Lancashire Cricket Club: £650.00 (Summer Term) Nrich (Quidditch): £370 for the day (Spring) Total: £6,418.50	All children from Year 5 and Year 4 achieved 1 hour of high quality P.E by Sports Coach Alex Culshaw every week. Year 6 had sports coaching from Lacrosse club Eccles, Salford Reds Rugby

<p>To teach children all the essential skills they need to be able to take part in competitive sports and games in each area of the P.E Curriculum.</p> <p>Run a wide range of sporting after school and lunchtime clubs. This year we will have various sporting clubs such as: hockey, dance, football, netball, dance, multi-skills and rugby.</p> <p>Sports development 3 clubs a week.</p> <p>Salford reds 1 club a week.</p> <p>Football club.</p>		<p>and Mr Hargreaves taught them P.E.</p> <p>All of KS1 children are taught one hour of quality teaching by sports coach Miss Payne weekly.</p> <p>Years 2, 3, and 5 have Salford Reds Rugby teaching rugby, dance and karate weekly.</p> <p>Both year 6s had cricket during the summer term * This did not happen due to COVID19.</p> <p>Both reception classes took part in weekly P.E skills delivered by Kickstarterz.</p>
<p>Transport to weekly swimming lessons</p>	<p>£3200</p>	<p>Swimming lessons were very inconsistent due to COVID 19. The swimming baths were predominately closed throughout the year resulting in 8 children passing KS2 level.</p> <p>8/58 = 14%</p> <p>The children who have not passed, will be attending further swimming lessons in the academic year 2021-2022.</p>
<p>Run internal and external sports competitions; compete in the Schools Mark award.</p>	<p>£650</p>	<p>Very little competitions entered due to bubbles and</p>

		<p>cross contaminating with other schools.</p> <p>Bridgewater children did take part in a virtual run.</p> <p>Entered the Year 3/4 tennis competition in the summer term: Semi-finalist.</p>
Continue to enhance sporting competitions within Manchester through providing free transport.	Depending on location, £3500	Unable to attend competitions due to COVID19.
To replenish and purchase new equipment whenever needed.	£2000	Replenished tennis equipment, sports day equipment and athletics equipment. These were used in the weekly P.E lessons.
Enhance the development of swimming further by taking part in additional swimming lessons and providing children the opportunity to pass at KS2 Level.	£2800	Did not happen due to COVID19 restrictions.
Enhance staff knowledge of using sport equipment through staff meetings and P.E resources from P.E planning.com	£300	Very detailed lessons plans from P.E planning.com provided all teachers with planning and resources they needed to teach high quality P.E lessons.
To provide children with appropriate sports kits that will be worn during competitions including a new swimming kit for the local gala.	£514.50	New kits provided children with the confidence of feeling like they are part of a team.

Total Spend for academic year 2020-2021: £19,383

How as a school will make these improvement sustainable

Throughout the up and coming year, we will use the money to enable further development of the children and focus on providing provision for more children to achieve working at a greater depth standard.

The DfE has made the following statement:

*“The DfE understands that schools are keen to know how much funding they will receive so that they can plan for the next academic year, and are seeking to communicate high level principles in preparation for the new academic year. These will be announced in due course, however, we can confirm that all schools will see an increase in their premium allocation.”*

*“The Government is committed to ensuring that all schools are fairly funded and that money is invested in the most effective way. After careful consideration, we have therefore decided not to proceed with the proposed healthy pupils capital programme, in order to provide more money to schools through their core funding instead. Schools can, of course, choose to invest their core funding in PE and Sport.”*

We will ensure that these improvements are sustainable, by teacher and staff CPD regularly, including questionnaires, and mentoring during P.E lessons. We will also provide parents and children with questionnaires to further the development of the school through accessing their opinions. Furthermore, to sustain the standard and development now, we will allow parents to become more involved in P.E, such as supporting the children in competitions, house and competitions at different venues.

Attainment of children: End of Summer 2021
