Dear Parents and Carers,

Free Breakfast Club For your information, we offer a free breakfast club here at Bridgewater Primary School every morning from 8am.

Cereal, toast and fresh apple/orange juice will be available for your child to enjoy so you will have peace of mind knowing they will always have a nutritious, healthy balanced breakfast to start their day. It also gives them an opportunity to have fun with their friends, drawing and catch up with reading before the school day begins.

The club is restricted to a maximum of **40 children per day** and a place is booked via our Parent App.

A message will be sent via school to inform parents/carers prior to places becoming available towards the end of each half term. Places must be booked for the following half term.

If for any reason you no longer require a place, please let us know and then we can offer this place to children who are the waiting list The Breakfast Club is based in the school hall and access is via the main reception at the front of school.

Could you please ensure that your child arrives to the club before **8.10am**. If you have any further queries please feel free to contact the school office.

Kind regards,
